RE: Continental Linen Services
Case GR-7-RD-3477

Dear Ms. Rios:

The above-captioned case, petitioning for an investigation and decertification of representative under Section 9(c) of the National Labor Relations Act, has been carefully investigated and considered. As a result of the investigation, I find that further proceedings are unwarranted because the showing of interest accompanying the petition does not express any desire on behalf of signatory employees to decertify the Union. Accordingly, the petition is hereby dismissed.

Pursuant to the National Labor Relations Board's Rules and Regulations, Series 8, as amended, any party may obtain a review of this action by filing a request for review with the National Labor Relations Board, Washington, D.C. 20570. A copy of the request for review must be served on each of the other parties to the proceeding, as well as the undersigned. This request for review must contain a complete statement setting forth the facts and reasons on which it is based. The request for review (eight copies) should be filed with the Board by close of business on **February 9, 2005**, except that the Board may, upon good cause shown, grant special permission for a longer period within which to file. The request for review **MAY NOT** be filed by facsimile transmission. A request for extension of time which **MAY** be filed by facsimile transmission, should be submitted to the Board in Washington no later than the date set forth above for filing of the request for review, and a copy of any such request for extension of time should be submitted to the undersigned and to the other parties to this proceeding.

The request for review and any request for extension of time must include a statement that a copy has been served upon me and on each of the other parties to this proceeding in the same or a faster manner as that utilized in filing the request with the Board.

Very truly yours,

Stephen M. Glasser
Regional Director
